THE POWER RANGERS CHRONICLES

Journey with us now as we chart the legendary adventures of those five amazing teenage heroes, the MIGHTY MORPHIN POWER RANGERS!

While Kimberly battles to save her uncles stricken airplane following an attack from Rita's croonies, the Power Rangers must battle the SNIZARD, half snake half lizard, all monster! And as if that wasn't enough, then prepare yourselves for the greatest and most startling chapter in the history of the Power Rangers, as we introduced the legendary Green Ranger!

EPISODE #14: "FOUL PLAY IN THE SKY"

An excited Kimberly is calling Trini from Angel Grove airport. "I'm gonna have so much fun today," she says," my uncle Steve is taking me out flying!"

Rita is staring down her magic telescope from her fortress on the surface of the moon. "So! Kimberly's going flying!" she cackles. "What goes UP can be pushed DOWN! Hahaha!" The evil interstellar witch prepares a sleeping potion, and SQUATT (getting it right for once) sneakily pours the potion into Uncle Steve's can of drink.

Guess who else is at the airport, watching the planes go by, and dreaming of joining the jet-set? Yes it's BULK and SKULL! "I've got the mind of a pilot," says Skull trying to impress his crony. "My teacher says I'm an AIRHEAD!"

Suddenly they see Kimberly heading towards a private plane on a nearby runway. They chase after her and beg to be allowed on board. Kimberly doesn't seem too keen on the idea, but her uncle mistakenly thinks that the they are her friends, and invites them along. Uh-oh!

As the plane climbs high over the town Bulk and Skull look at eachother nervously. Skull asks his friend if he's afraid of flying. "NAH!" answers Bulk," I'm afraid of CRASHING!"

Meanwhile, up on the moon, Squatt can

hardly contain his excitement - Rita is about to create a new monster...HALF SNAKE - HALF LIZARD - and ALL WICKED... THE SNIZARD! With Kimberly out the way, the other POWER PESTS will be more vulnerable to attack!

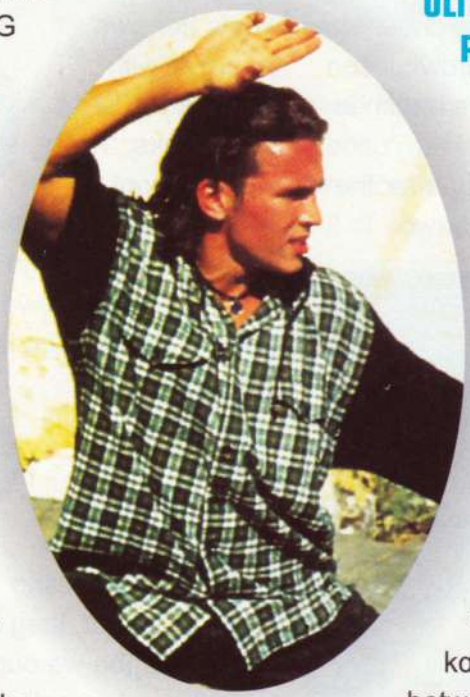
Back up in the clouds, Bulk and Skull are feeling sky-sick! When Uncle Steve announces that he's feeling dizzy, they start to panic! And when Uncle Steve passes out, they start to blubber! Rita's potion has worked, and the plane starts to DIVE! The two bullies promptly faint! With everyone else on board unconscious, Kimberly is free to call Alpha for help. The little robot tells her to MORPH out of there! "I CAN'T!" shouts the Pink Ranger, " I've got other people up here!"

Not satisfied with setting up THIS disaster, RITA unleashes the sinisterly snakey SNIZARD on the earth! Zordon reports that it's wreaking havoc in Angel Grove Park! "Al Al Al Al Al!" worries Alpha, "This is NO COINCIDENCE! It's all part of Rita's plan!"
Zordon sends the other rangers to battle the Snizard, while Alpha gives Kimberly a quick course of instruction on flying. Let's hope it isn't a CRASH course!
Her fuel supply is running low, and she's heading towards the mountains. Looks like things can't get much worse!

The Snizard is proving a slippery opponent for our heroes! They blast him with their weapons, but he is unscathed! Then writhing snakes shoot out of Snizard's stomach and coil around our heroes with lightning speed. Dragged to the ground by these diabolical serpents our heroes cannot fight back! The coils get tighter! The rangers get weaker!

They squirm helplessly at their enemy's feet, struggling but unable to escape! The fiendish Snizard prepares a devastating arrow of doom for the POWER RANGERS!

Back in the sky, Kimberly is learning fast. She turns the plane away from the mountains and starts to cruise back to the airport. Skull wakes up, and sees her at the controls. "Oh look, Kimberly's flying the plane!" he observes. Then he realises what he's just said - "SHE'S FLYING THE PLANE!" he screams, and faints again! Undisturbed, Kimberly brings the craft down, for a perfect landing! Before Uncle Steve can ask any questions, she is racing off to help her friends!



Just as the Snizard is about to zap our helpless heroes, Kimberly arrives on the scene and saves them with a hot-shot from her Power Bow! She blasts the Sniz's diabolical arrow before he can fire it! Then the Pterodactyl-powered pink heroine gets ready to finish him off. "Aim for the apple on top of his head!" Shouts Jason. Eagle-eyed Kimberly hits the mark, and the Snizard vanishes in a blinding flash of sparks! Poor old Rita! How do you think she feels about it? Right first time...she's got a headache! AND she's pummelling her gruesome gang!

At school, Kimberly is lapping up praise for her flying exploits from one of the school hunks. Jason and Zack can't stand it. "Tell me more, you big hunk of a man you!" purrs Zack in a sarcastic impersonation of Kimberly. As he turns to leave, he collides with someone loaded up with drinks from the juice bar. At that moment, Bulk and Skull return from the airport, trying to look supercool after their adventure...so one guess where the drinks land! SLOP! All over our two AIRHEADS!

BECAUSE YOU DEMANDED IT! BECAUSE IT HAD TO BE TOLD! HERE COMES THE TERRIFYING TALE OF RITA'S FIENDISH PLAN WITH THE ULTIMATE TWIST! YES -- IT'S RANGER is PITTED AGAINST RANGER, in:

EPISODE #15:
"GREEN WITH EVIL!"

It's the biggest day of the year at Angel Grove High...the Martial Arts Expo! Everyone is crowded into the gym thrilling to the incredible skills of the talented students. Jason is warming up for his moment in the spotlight...the announcer declares: "and now a karate contest between Angel Grove's finest, and a NEW CHALLENGER!" The friends look with burning curiosity at Jason's opponent! There's a new kid on the block, and he's ready to rock!

The crowd watches, thrilled, as Jason and his opponent fight out a staggering high-

speed duel of skill, wits, strength and nerve. Jason goes into an early lead, with a lightning kick into his opponents midriff. But the team watch in astonishment, as the challenger races ahead on points with a series of dazzling moves. It's clear to everyone that the karate king of Angel Grove has met a worthy adversary! Jason's friends cheer him on as he fights back to a well-earned draw! Jason is still unbeaten, but all the talk after the match is about his opponent, TOMMY!

Trini catches Kimberly staring at Tommy after the match. "He's GORGEOUS, isn't he?" she coos."You can say that again!" sighs Kimberly, dreamily.

As they speak, that dark demoness of distinctly dastardly devilish deeds, (yes, we mean Rita of course! Who else?) has also got her eyes on Tommy. She's cooking up a plan to beat ZORDON at his own game - she wants her own teenager with attitude! "YES!" she shrieks, "he'll make a great GREEN RANGER! I'm such a GENIUS!"

Back at school, Kim is the centre of unwelcome attention from our dumb and dumbest duo, Bulk and Skull. When she blows them out, they turn nasty. "Maybe we ought to teach her a lesson!" snarls Bulk. Suddenly an unexpected hero turns up to come to Kim's aid...it's TOMMY! He terrifies the two bullies with a display of martial arts magic! Suddenly Bulk and Skull have an appointment in the henhouse with the other chickens!

Kim thanks Tommy, and giving him a look that would melt Antarctica, invites him to hang out with the guys at the Youth Centre that evening. Tommy accepts!

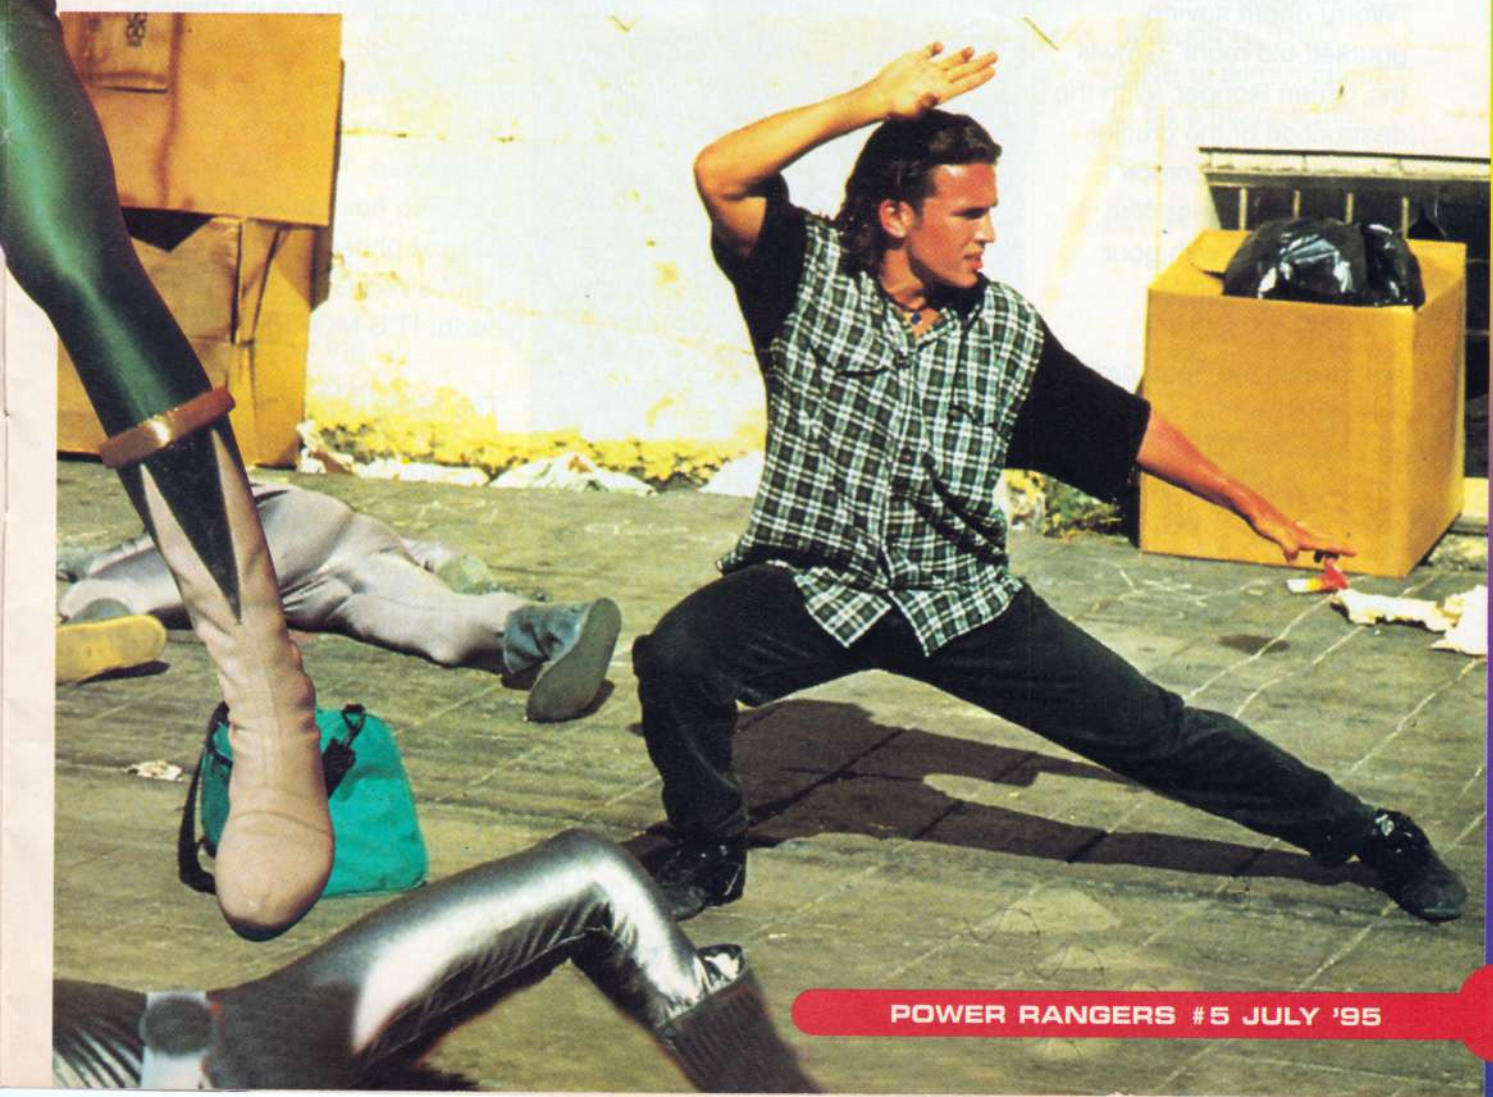
In the depths of her many-pinnacled lunar lair, Rita is weaving a powerful spell to create her own

Ranger. Chanting ancient words of power in the secret language of witches, she prepares her evil sorcery. Before she unleashes her spells, Rita tests Tommy's potential in battle with her Putty Patrol! With his karate skills he deals with them swiftly, improvising brilliantly with a dustbin lid, to trash his grey ghoulish foes!

"YES - this guy's truly the one!" cackles Rita. She magics herself down to earth, where she zaps Tommy into her crystal ball!

Spirited back to the moon, Tommy is wrapped in a magical coccoon, surrounded by eerie incense candles, and mystically empowered! He sits up, his eyes glowing with emerald energy, his will enslaved utterly to Rita's cause! " How can I serve my Empress?" he asks. Rita hands him the SIXTH POWER COIN...the GREEN RANGER is born!

In the Command Centre, never before have the forces of good been so vulnerable - Zordon has entered a meditative state, and Alpha is recharging. What a time for the Green Ranger to attack! He appears out of nowhere, free to come and go as he pleases because of his power coin! He hits poor Alpha with a computer virus, and rips the vital



circuits out of the command computers. "You're under Rita's power!" Zordon warns the intruder,"I can save you!" "Worry about saving yourself old man!" Growls the Green Ranger. With the destruction of the crucial link with earth, Zordon starts to disappear. "I'm losing contact with your dimension...NO!!!"

Meanwhile the boys are polishing up their morphinonemal hot rod, when Kim arrives feeling gloomy because Tommy didn't meet her at the Youth Centre. "Something probably turned up," says Zack, who's had more experience being stood up than Kimberly.

Receiving a garbled distress call from Alpha, the POWER RANGERS are horrified to discover that their teleport link with Zordon is down! They fly in their amazing car to the command centre, where they are faced with another shock..."this place is totalled!" gasps Zack. Brilliant Billy reactivates Alpha, but finds that all his memory chips have been scrambled. Then the team see that Rita has moved her plan into its next phase, unleashing a giant-sized GOLDAR upon the earth! IT'S MORPHIN TIME!

The battle is joined, with the MIGHTY MORPHIN POWER RANGERS up against the toweringly transformed Goldar, an army of Putty Patrol Pests, and the new mega-menace of the GREEN RANGER! The bewitched Tommy shouts:" It's the beginning of the end for the POWER RANGERS!"

"We need DINO-ZORD power now!" shouts Jason, and the incredible dinosaur-powered

THE POWER RANGERS CHRONICLES

fighting machines are called forth from their secret locations, arising from jungle, desert, volcano, icy waste and darkest chasm! Immediately calling for the POWER SWORD, Jason leads the team into Battle-mode action, buffeting and blasting Goldar with the titanic force of the Power-Sword! Goldar leaps into the sky and rocks the Megazord off its feet with an earthshaking, metal-shuddering dropkick! To Goldar's dismay, the Megazord springs back to its feet and launches a fresh attack! Goldar disappears - now it's time for a new force to enter the battle!

To the astonishment of our heroes, the Green Ranger rips into the command centre of the Megazord like a whirlwind, hurling the Rangers out of their control seats, and throwing them to the ground! "LONG LIVE RITA!" their foe roars, "YOU'RE FINISHED!" He leaps among them, scattering our heroes on all sides with an fantastic flurry of dynamic blows. Jason goes on-on-one with their mighty opponent to give his team time to recover, but is soon demolished by a devastating series of well-aimed punches. With the Rangers battled to a standstill, their foe fires a bolt of mystic green energy at them!

"Ai Ai Ai Ai Ai! Zordon, where are you?!" cries Alpha, recalling the Power Rangers back to the command centre. They see the Green Ranger on the viewing screen, and ask Alpha for data? Who is their mysterious nemesis? But Alpha's memory is still scrambled, and the virus is playing havoc with his systems! Before he can offer any help, the little robot conks out again. Without Zordon, without Alpha, our heroes have to face the biggest challenge of their lives... ALONE!

"We'll have to do it on our own," says Jason grimly. "I think we've only made it through ROUND ONE of what's about to be a major battle!"

What does Alpha Five do at the end of a hard day's dusting and hoovering around the Control Centre? He puts his feet up and reads through the mountain of letters from the Power Fans, of course! This time he's also written a few words of his own, in his very special style -

AI AI AI AI AI!!!!!! HELLO POWER FANS! IT'S ME, ALPHA FIVE! ZORDON SAID THIS MONTH I COULD ANSWER YOUR GROOVY LETTERS! THANKS ZORDON!

Let's start off with a big **POWER HELLO** to **GARY WATCHAM**, from Clacton in Essex, Gary says that not only is he a mad Power Rangers Fan, but so's his **MUM**! And she thinks Alpha Five is Cute! **AI AI AI AI AI!!** Well Mrs Watcham you're right! You're right! I am cute, and also extremely modest. Gary writes that as well as watching the Power Rangers show he also finds time to be good at his school work and to learn **KUNG FU**! Gary's Uncle Ben is a **KUNG FU MASTER** - just like Trini's Uncle Howard! - and has taught Gary **NEVER** to copy the Power Rangers, and to practise his Kung fu moves **ONLY** at his club. That's the way to do it! **GO! GO! GARY WATCHAM!**

MAYDAY! MAYDAY! *AMOUR* ALERT! LAWRENCE has got a major crush on **KIMBERLY**! The dynamically heroic and powerful **PINK RANGER**! "I love, love, love, love, love, love, love, love, love, love, love, love, love, love, love, love, love **YOU**!!" He wrote, before adding, "I could kiss Kimberly till the end of the year!" Sadly Lawrence, Kimberly is booked up till the end of the year and beyond, protecting the world from that vile interstellar witch Rita Repulsa and her horrible monsters.

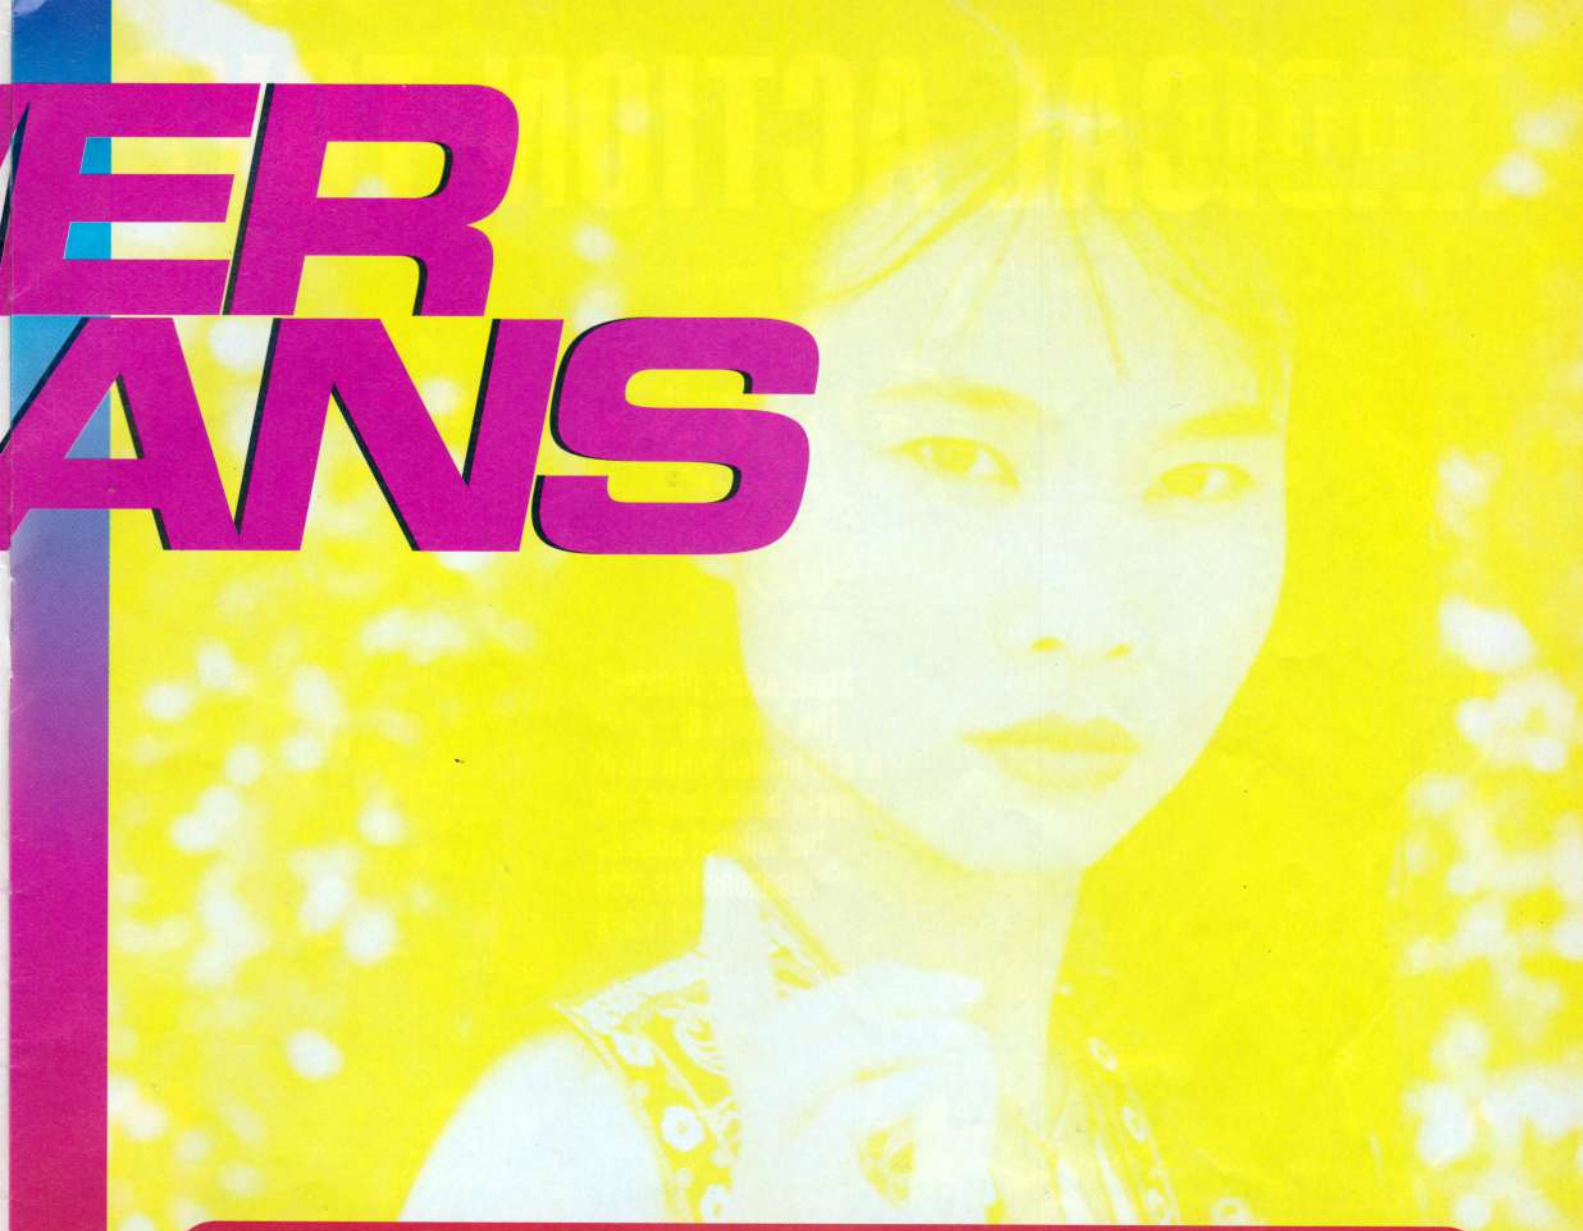
GARY CONNOLLEY wrote in asking Jason, if he could have his mighty Red Ranger power helmet. **AI AI AI AI AI!!** Gary - would would happen if Jason went into battle without his helmet, What would he wear to protect his identity and head? Not only would he look pretty **SILLY** going into battle against one evil Rita's monsters without it, but **YOU**'d look pretty **STRANGE** in it, wearing your school uniform! Gary also writes "Tell Alpha I hope his computer virus has gone away." Thank you for the kind words, Gary, I am feeling **MUCH** better nownownownownownownownow! **HA HA HA HA HA!** Only joking kids!

Well that's it for now, Power fans! Thanks for all your groovy letters, they were fun! **AI AI AI AI!** It made a nice change from dusting Zordon's Power Crystals, polishing his ornaments and sweeping the floor! That's not to mention washing all the Power Ranger's socks! Please write to me and maybe Zordon will give me another 30 seconds holiday to reply! **SO LONG, POWER FANS!**

Just because Alpha is a robot and can read letters faster than any human being, this doesn't mean you should stop sending us or him even more letters! We'll dive into another sackload of Power Fans' letters next issue -

DON'T YOU DARE MISS IT!

ER ANS



AND NOW A MESSAGE FROM TRINI!

Hi, Power People! I'm **TRINI**, the **YELLOW RANGER** I wanted to write and tell you how you too can protect the world! Yes that's right, and you don't have to be a Power Ranger or possess the Power of Dinozords or use Zordon's magical weapons to do it! All you need is the determination to make a difference! With that determination you can protect your world by improving the environment.

One of the first and easiest things any loyal Power Fan can do is to make sure that they never drop litter in the streets or open spaces. Remember to take home all your litter or put it in the nearest dustbin. If every Power Fan started doing this in his or her home town, then soon every town in the U.K. would be looking as clean as our own dear Angel Grove!

If you want to do more than that...find out where your nearest recycling bank is, there should be some locally. There you can recycle all your glass bottles, aluminium cans, old newspapers and magazines. All these bits of rubbish can be recycled, and made into new bottles, new sheets of paper and new cans. And remember, when you drop the bottles into the bottle banks, you can have a really smashing time!

Oh no! Zordon is contacting me on my wrist communicator and that can mean only one thing - Rita's at it again. So that's all for now, but I know I can rely on you guys to look after your home towns while we look after the world!

The arrival of The Green Ranger was one of the most fantastic episodes in the lives of our five friends and heroes! We won't spoil the fun by telling you everything here - just wait until you read the epic adventure in our POWER CHRONICLES!

What we *can* tell you about is the Green Ranger's alter-ego, TOMMY. Because he was the last of the team to arrive at Angel Grove, he is a little shy. That's right- he and JASON the RED RANGER are fellow spirits, and make perfect training partners, you can often find them practising in the Angel Grove Park, or conducting self defence classes in the gym.

Tommy is also very fond of Kimberly- could romance be in the air? Who knows, stay tuned! Since Tommy joined up, it's as if the team have found a new gear- making them even more unbeatable than ever!

FUN in the GYM with TOMMY and ALPHA 5

It's WORKOUT time with Tommy and Alpha - but much to the Green Ranger's amusement, it seems his enthusiastic robot friend is having a little problem or two with the exercise rings! Could it get much worse? I HOPE SO! Welcome, my horrible little helpers, to Auntie Rita's POSTBAG and UNHELPFUL PROBLEM PAGE!

JAMES GREEN from Alton, Stoke-on-Trent sent me a hand-made Christmas card, covered with glitter, candles and holly. Witches HATE receiving Christmas cards...EXCEPT WHEN IT ISN'T CHRISTMAS! So thank you, James! Your Christmas card will decorate my mantlepiece until all those lovely HALLOWEEN cards come in the autumn!

JAMIE has scrawled from Rothbury, Northumberland to say: "I HATE YOU, YOU UGLY HAG FROM HELL! I HOPE YOU GET BEATEN ABOUT 20,000 TIMES BY THE POWER RANGERS! OH, AND YOU HAVE A BRAIN THE SIZE OF A PEA OR MAYBE SMALLER!"

HEE HEE HEE! Lovely insults, Jamie, but can't you think of anything **worse?** I'm sure you LIKE me really!

GARETH LANN says: "I DON'T BLAME YOU FOR GETTING CROSS WITH **GOLDAR, FINSTER** AND THE OTHERS. 1. ARE THERE BOY PUTTIES AND GIRL PUTTIES?

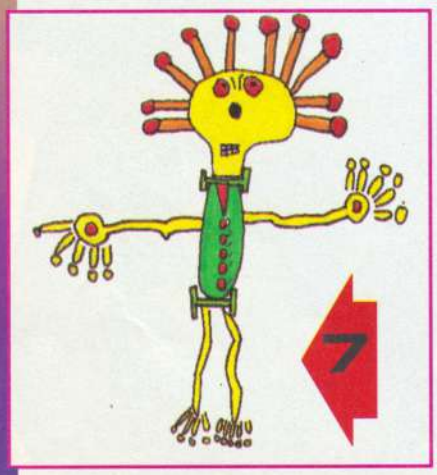
RITA'S MONSTER HARVEST

After last month's disastrous monster invasion (do you remember, SQUATT unleashed a gang of your ghastly ghouls on my lovely lunar fortress, and just about demolished the place! He's spent the last four weeks clearing up the wreck, rubble and ruins from the battle!) I thought I'd keep my usual creepy cronies out of it this time, and ask some of my OLD monster creations to vote for their favourite NEW monsters, and create:

RITA'S MONSTER HIT PARADE!

Just entering the charts at number 7 is this wonderfully weird whacko, FIREFLY, by BENJAMIN WILLIAMSON, of Liden, Swindon. This bright spark seems to have a light-bulb for a head, and maybe even MATCHES for hair! When he saw THIS picture EYE-GUY's eyes nearly popped out ...all ten thousand of them!



FIREFLY could DAZZLE the POWER RANGERS, and FLARE UP into a pretty fiery temper!

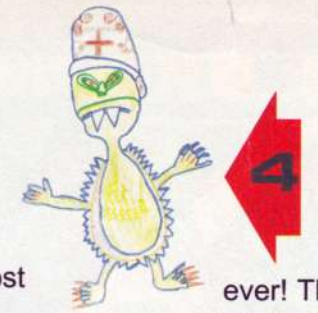
Rocketing into the Monster Parade at number 6 is one of the most unusual and original ideas yet...THE LOVER! KATIE and CHRISTOPHER LIM from Ilford Essex, have concocted this kissable creation!

Scorpina says: " This monster is almost as irresistable as ME!" According to Katie and Christopher - "The LOVER makes every single man or boy fall in love with her!" Just think of the trouble THAT would cause! Fine work, kids! Auntie Rita is proud of you!

Riding high at number 5 this month is BILLY McDOWALL, aged 10, from Laighstonehall Hamilton. Meet the smash-hit called SHRED! With more weapons than you can shake a wand at, SHRED could pulverise the POWER POODLES with axe, mace or club! That's the kind of MUSIC I want in MY chart - the sweet sound of POWER RANGERS being bashed!

At number 4 is the frighteningly foul FROAD! Drawn by 7-year old MATTHEW TOPP of Rhos-On-Sea, Colwyn Bay, this fearsome fanged freak can fire SLIME out of his hat! He also squirts a liquid that makes the Rangers sleepy! No need for that, Matthew - just listening to Zordon droning on and on and on

about being WISE and SENSIBLE will be enough to send them to sleep, without FROAD's help!



CHUNKY CHICKEN, one of my most useless old monsters, just clucked with delight at seeing FIREFLY from CARL and SIMON HALEWOOD from Nantwich, Cheshire. The feathery flop was most impressed with this red-hot hit horror, burning up the charts at number 3!

FIREFLY can shoot fireballs and fry his enemies for supper with his Fire-Lance!

Just losing the fight for that number one spot is the MEGA-EVIL ZORD! This robotic rampager is equipped with lasers, grabbers, shockers, freezers...every weapon imaginable to total those MIGHTY MORPHIN MUGS!

This engine of destruction, drawn by DAVID HASTINGS, Bentley, Walsall, was a great favourite of the DARK WARRIOR! "The MEGA-EVIL ZORD could make MINCEMEAT out of the RANGERS' MEGAZORD!" He cackled. But how can you make mince MEAT out of a **METAL** MACHINE? Poor old Dark Warrior, he never was that BRIGHT!

Now it's number one - it's TOP of the TERRORS! TOM CHEAM, aged 8 from Ilford Essex, has dreamt up one of the maddest monster marvels ever! This month's chart topping tyrant is CACTUS BUNNY! The SNIZARD just loved the deadly tarantulas that jump out of holes in Cactus Bunny's costume!

Well, my merry monsters had great fun arguing over the Monster chart, but I, the great Rita Repulsa, actually think that ALL your monsters were BRILLIANT! I vote them ALL NUMBER ONE!

Keep hitting me with your incredible ideas! I'm off now to have my yearly bath...in black slime from the tar-pits of the planet Twurg! Farewell, my little bedbugs!

Keep all your vile revolting monsters coming Kiddos! You know how much it annoys Zordon! No-one ever writes to him, but then would you want to write to a badly out of focus floating hologram head? I mean how would he ever write back to you! HAHAHAHAHA! So Send all your insults, monsters and drippy problems to: Rita Repulsa's Postbag, Marvel Comics, 13-15 Arundel St, London WC2R 3DX.
